

DC · Alexandria

What is an exclusive project day?

An exclusive project day is a single-day volunteer project that a group of your company's employees work on.

Some exclusive project days consist of home repair tasks at a house, and some consist of repair tasks at a local community space (such as a park or school). All exclusive project days take place either in Washington, DC or Alexandria, VA. (Your company chooses the city for your project.)

It's a great team-building experience and a wonderful way to provide immediate, tangible assistance to homeowners and communities in need.

Why should my company participate in an exclusive project day?

- Many of DC and Alexandria's low-income homeowners live in unsafe conditions but cannot physically or financially address the critical repairs that are needed in their homes. These precarious situations could lead to unnecessary illness or injury, bankruptcy, or even homelessness.
- By completing these repairs at no cost to the homeowners, your company's volunteers can help ensure that residents in our community – including older adults, individuals with disabilities, families with children, and veterans – can continue to live safely and independently in the most affordable home to them: their own.
- By renovating community spaces such as parks and schools, your company's volunteers can help create healthy neighborhoods for residents living in underserved neighborhoods.
- Your company will receive several benefits, such as logo placement on our website, recognition in our Annual Report, lunch for your volunteers, and more.
- Working together as a team outside the office makes for a better team inside the office!

Do my company's employees need to be skilled at repairs?

No! We welcome volunteers of all skill levels, ranging from folks with no experience to folks with very advanced experience.

Our programs staff will work with your company to find a project that fits your employees' level of experience with repairs.

How many employees should my company bring to the volunteer project?

If your company's employees would like to complete home repair tasks at a house, we can only accommodate a maximum of 10 volunteers. If your company's employees would like to repair a local community space (such as a park or school), we will need more than 10 volunteers from your company.

What are the logistics of an exclusive project day?

Your company's employees will show up at a specific time, do the repairs, and then depart. We'll take care of everything else!

Most exclusive project days take place on weekdays from about 9:00 am to 2:00 pm, but this varies depending on the project and the volunteers' availability. Our programs staff will work with your company to find a time that works for your volunteers.

All exclusive project day packages include lunch for your volunteers as well.

Does my company receive any additional benefits?

Yes! By sending us your completed exclusive project day form – and a check or online payment for whichever exclusive project day package you select – your company will receive several benefits, such as logo placement on our website, recognition in our Annual Report, lunch for your volunteers, and more.

The full list of exclusive project day packages and benefits is included in this packet.

My company is interested in doing an exclusive project day! What are the next steps?

1. Select one of the exclusive project day packages (the full list is included in this packet).
2. Send us your completed form (included in this packet), as well as your payment (check or online payment).
3. Once we receive your completed form and your payment, our programs team will reach out to you to schedule a date and repair project that best fits your volunteers' schedules and skill level!

You can email the completed form to Don Coates at dc@rebuildingtogetherdca.org or you can mail the form to:

Rebuilding Together DC • Alexandria
700 Princess Street, Suite 206
Alexandria, VA 22314

You can pay for your exclusive project day package by mailing a check to the address above, or by making an online payment (click the “Donate” button on our homepage: <http://RebuildingTogetherDCA.org>)

If you have any additional questions, please contact Don Coates at dc@rebuildingtogetherdca.org or 703.836.1021
