

# Exclusive Project Days

Recruit a group of volunteers from your company, organization, or house of worship to complete a volunteer project for a homeowner, community center, or nonprofit facility in need!

Rebuilding Together DC Alexandria invites you to sponsor the repairs of a home or community center, while also volunteering for a good cause and building relationships with your team. **These projects are led by Rebuilding Together DCA experienced staff.**

With an Exclusive Project Day, you can sponsor the repairs for an entire home, multiple homes or a community center, ranging from \$5,000 to \$25,000 **Sponsorship comes with unique marketing opportunities and volunteer opportunities.**

The best part is that you get to give a family or individual with limited income the critical repairs they need to stay safe at home.

**Interested or have questions? Reach out to Maggie Klefstad, Director of Development at [mk@rebuildingtogetherdca.org](mailto:mk@rebuildingtogetherdca.org)**

**A note: Volunteer projects take place Monday through Friday. Weekend opportunities require an additional fee that starts at \$2,500.**
